**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose to get my Internet from Sonic. It's a local company with local employees. so it supports the local economy. We need to encourage these small local companies, not make it harder to do business.

I chose Sonic because their service is affordable and I get treated much better than I did by AT&T. They have wonderful customer service

Please do not end Net Neutrality. Let's level the playing field and make it fair for everyone. Thank you for your consideration.
